We wanted to thank you for granting Nick's wish to go to Disney World! It was very memorable and he had a blast! Children's Wishes does remarkable things for children and we hope you continue to grow.

Nicholas P.'s Disney Wish Granted!

Nicholas is a four year-old boy from Warwick, RI who was diagnosed with a heart condition. His favorite movie is Alvin and the Chipmunks and he really enjoys reading his Frosty the Snowman book. Nicholas loves to eat toaster strudels and his favorite restaurant is Newport Creamery. Nicholas' wish to go to Disney World with his family was granted on March 1, 2011. They were brought to the airport bright and early in the morning by a fancy limousine (donated by Sentinel Limo of East Providence, RI) and then they were off to Florida where Nicholas got to meet his favorite character-- the famous Mickey Mouse!
